Do you plan on installing an irrigation system on the property? Yes _____ No _____

To your knowledge, is there a well located on the property? Yes _____ No _____

I understand that if there is an existing and/or am planning on installing an irrigation system on the property, the backflow prevention assembly shall meet the current state regulations, and be tested according to District policy. I further understand that failure to have the currently approved backflow prevention assembly installed and/or tested may result in substantial penalties being assessed by the District. **Please initial _____**

I understand that this application is for service to only one household and/or business and that I may not extend service to any other household and/or business under the condition of existing District policy as well as state regulations and that an application must be made for each household and/or business. **Please initial _____**

I understand that I must begin paying the current Walnut Creek Special Utility District rate for a monthly charge as soon as the meter is installed and must continue to pay as long as the meter is in place regardless of whether water is used through the meter or not. Also, that the minimum bill reserves capacity for usage at any time I require use of the meter. **Please initial _____**

By execution hereof, the Applicant acknowledges receipt of a copy of Walnut Creek Special Utility District's service agreement rules and regulations in accordance with the Texas Commission on Environmental Quality and agrees to comply with its terms.

CONFIDENTIAL INFORMATION

The Texas legislature enacted a bill September 1, 1993, allowing publicly owned utilities to give their customers the option of making the customer's address, telephone number and social security number confidential.

WE MUST PROVIDE INFORMATION UNDER LAW TO CERTAIN PERSONS.

We must still provide this information to (1) an official or employee of the state, or the federal government acting in an official capacity; (2) an employee of a utility acting in connection with the employee's duties; (3) a consumer reporting agency; (4) a contractor or subcontractor approved by and providing services to the utility or to the state, a political subdivision of the state, the federal government, or an agency of the state or federal government; (5) a person for whom the customer has contractually waived confidentiality for personal information; or (6) another entity that provides water, wastewater, sewer, gas, Garbage, electricity or drainage service for compensation, Yes, I want to make my personal information (address, telephone number and social security number) confidential.

SIGNATURE
